

IGEIQ LIST OF ELIGIBLE RIDING INSTRUCTOR QUALIFICATIONS

Note: IGEIQ passports are issued at 3 levels, therefore holders of qualifications listed in the International Expert column (below) will receive a Level 3 passport. The higher qualification should be shown on the Endorsement Page of the passport. It is important to note that instructors will be recognised in another member country at the level of their passport and are NOT eligible to receive a certificate at the same level from another Federation. Harmonisation does not give the right to demand a further certificate at the same level but it is possible to take the next level examination if desired.

Country	International Level 1	International Level 2	International Level 3	International Expert <i>For information only – passport not issued at L4</i>
Australia	EFA/NCAS Level 1 General	EFA/NCAS Level 2 General	EFA/NCAS Level 3 General
